Forest Service Will Auction Vehicles and Miscellaneous Equipment on the Internet

Yreka, Calif. -- The U.S. Forest Service will be selling surplus vehicles and equipment by public **Internet auction** March 21 thru March 28. The Klamath, Shasta-Trinity, Mendocino, and Six Rivers national forests will be selling approximately 100 items, including cars, trucks, heavy equipment and miscellaneous equipment to the highest Internet bidder.

The vehicles and equipment will be available for on-line viewing via the GSA website www.gsaauctions.gov beginning Monday, March 21. Interested bidders should type in the sale number 91QSCI11160 in the "Enter Search Text" box. Only Forest Service items will be displayed. Each item will have an assigned number, description, photos(s), and a contact name and number if further inquiry is needed.

Bidding will continue until each item's posted deadline time on March 28.

Bidders must register on the GSA website and view the Terms and Conditions (in the blue tool bar at the top of the page) for information regarding registering, bidding, payment, warranties and removal of successful bid items.

The vehicles and equipment are also available for public viewing Monday through Friday, 9 a.m. to 3 p.m. daily throughout the auction.

Following are the locations and contact information for the vehicle and equipment sites:
